

## The Millicent Library Community Survey

*The Millicent Library is developing a new strategic plan to ensure our resources are used well and that community needs are met. Please help us by taking this brief survey and returning it to the library or in the box. You can also take the survey online at [millicentlibrary.org](http://millicentlibrary.org). Add your name and contact info anywhere on the form to be entered into a drawing for a Kindle Fire.*

**The library currently provides the following materials and services. If you use any of these, please let us know by checking all that apply.**
